- Click on the menu at top left and select **MY LIBRARY**.
- Click on **Loans** to see what you have issued to you on your Library account.
- To the right of each loan, if you see a **Renew** arrow icon, click to renew your loan (from today's date).

## 2. With the Library *Liberty Link* mobile app

Search, reserve, renew and access Library resources from your phone.

*IMPORTANT: To set up the app, you will need both your mobile device **and** a second device (so you can view and scan the personalised QR code).*

- To install the Liberty Link mobile app, first use a secondary device (laptop, tablet, PC – **not** your phone) and go to the Library website (<https://library.nmit.ac.nz>)

- Sign in to your NMIT account using the blue **Sign In** button if not signed in already.
- Scroll to the bottom of the page to find the **Liberty Link Mobile app** instructions and follow the installation directions to install the app on your mobile device.
- Then you can use the app to renew your loans, search the Library catalogue and reserve or request titles – no sign in required.
