

eBooks and eTV

eBooks for quality research, here now and downloadable 24/7.

[Ebook Central\(external link\)](#)

Full access to NMIT owned titles.

[IGI Global Info-Sci Security and Forensic Database\(external link\)](#)

This database of e-Books is particularly relevant to students studying the Post graduate Diploma in IT security and management.

[Bookboon.com\(external link\)](#)

Download free eBooks and textbooks.

[Microsoft Press Store\(external link\)](#)

These e-Books are very relevant and useful in our Graduate Diploma in Networking and Security and some are also useful for the postgraduate programme.

eTV to support your research.

[eTV](#)

Live streams and on demand educational videos.
